- To place a **3-way order** select **Trading > Order Tickets > Futures Orders**.

Click to see all individual positions.

Click to **Close** position.

Click to place a **Stop** order.

Click to place a **Limit** order.

A 3-way order includes a primary order that will be executed as soon as market conditions allow, and two secondary orders that will be activated only if the first one is executed. These secondary orders are themselves related as O.C.O. (One Cancels the Other) orders, allowing both a stop loss and a take profit order to be placed around a position.
